CIVIL ACTION NO. 6:15cv716

§

**ORDER ADOPTING REPORT AND
RECOMMENDATION OF THE UNITED
STATES MAGISTRATE JUDGE**

The Report and Recommendation of the Magistrate Judge, which contains her findings, conclusions, and recommendation for the disposition of this action, has been presented for consideration. The Report and Recommendation recommends that the decision of the Commissioner be affirmed and that the complaint be dismissed with prejudice. Plaintiff filed written objections on September 21, 2016.

Having made a *de novo* review of the objection filed by Plaintiff, the findings, conclusions and recommendation of the Magistrate Judge are correct and Plaintiff's objection is without merit. As fully described in the Report and Recommendation, there is substantial evidence in the record supporting the Commissioner's decision and the ALJ applied the correct legal standards. Plaintiff's objection merely states a conclusory allegation that the ALJ did not correctly apply the applicable legal standards in assessing her credibility, residual functional capacity, and ability to perform work and that there is not substantial evidence to support those assessments. The findings and conclusions of the Magistrate Judge are, therefore, adopted as those of the Court. It is

ORDERED that Plaintiff's objection is **OVERRULED**. The decision of the Commissioner is **AFFIRMED** and this Social Security action is **DISMISSED WITH PREJUDICE**. It is further

ORDERED that any motion not previously ruled on is **DENIED**.

So **ORDERED** and **SIGNED** this **28** day of **September, 2016**.
